Kind Attn:- Mr. Bhujbalrao Umesh Hari

**Sub:- Approval for supply of Prestressing System.**

**Ref:- Your letter dated August 10, 2017**

Dear Sir,

This has reference to your above cited letter and technical documents/credentials submitted by you to this office for approval of your products **viz; Prestressing System** for Delhi Metro Rail Projects/Metro Rail Projects in various other cities.

While going through M/s Scon Infrastructure's credentials, it is also observed that **M/s Scon Infrastructure** is an Exclusive Agent of M/s OVM International Ltd. (China) for Prestressing System.

We have '**no objection**' in case you supply your product (**Prestressing System**) for our metro rail projects/metro rail projects in various other cities subject to the suitability and fulfillment with the technical requirements.

Since our ongoing Phase-III project has already reached an advanced stage of completion, the name of **M/s Scon Infrastructure** will be included in our Approved list of manufacturers/vendors for Phase-IV project (set to commence shortly).

The quality of the product/products should meet the required strength and other DMRC specifications. However, the Corporation wholly reserves the rights to revoke/suspend the enlistment on the basis of review any time.

This approval has been accorded on the condition of maintaining of quality intact. In case of any negative feedback and deterioration in quality, this approval will stand cancelled automatically. Mandatory checks about the

(मेट्रो भवन, फायर ब्रिगेड लेन, बाराखम्बा रोड़, नई दिल्ली-110001)

Metro Bhawan, Fire Brigade Lane, Barakhamba Road, New Delhi-110001

quality will also be carried out as and when required so as to satisfy the site/s about the quality and the performance.

The above authorization, however, does not bind the Corporation in any way for use of your products/services in the works.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'Rajan Kataria', with a stylized flourish at the end.

**Sub:** Regarding Vendor approval to M/s. Scon Infra Prestress LLP.

Dear Sir,

Your firm Scon Infra Prestress LLP has submitted the letter in MMRDA on date 25/09/2024 for your product Post Tension Systems.

Your product Post Tension Systems are in principle approved for One year with following terms & conditions;

- 1) The product should be proposed by the Concern Head of Department. The product should be proposed only if it is better than existing prevailing used product.
- 2) The product shall be finally approved from respective site consultant in conformity with requirements of specifications of Bureau of Indian Standards, applicable code provisions, etc.
- 3) The In principal approval has been granted on the basis of documents/information furnished by you. The approval would be cancelled if any details are found in variance to the details already furnished during the inspection of manufacturing unit.

MMRDA reserves the right to visit the manufacturing unit at any time.

- 4) MMRDA is not bound to give you any priority or preference in the issue of enquiry and placement of purchase order and does not guarantee all or any of the enquiries for the above items would necessarily be sent to you.
- 5) The applicant shall arrange for visit of MMRDA Engineers/Committee members for inspection of sites, where the products are used/being used, at its own cost, as and when requested by MMRDA.
- 6) The Change in Postal address, contact Phone No., Fax No., in the Constitutions or working of your firm, if any, to be intimated to this office immediately.

- 7) During the period, the applicant's request for defective material shall be attended by the vendor free of cost within a month's time from date of complaint wherever arises should be give in undertaking.
- 8) The product shall be used only on Pilot basis. After its use and found suitability it should be referred again to committee for as permanent use.
- 9) If your company shall improve product value by acquiring additional quality accreditations and/or achieves better performance, then such changes shall be invariably informed to this office.
- 10) This approval will be renewed further on request of the firm & depending upon the performance of product on MMRDA works after feedback from respective sites where the product is used.
- 11) MMRDA reserves the right to revoke/cancel the approval, without assigning any reason.

**Subject** : Reply: Submission of Vendor Credential for Post-tensioning work

**Reference** : 1. GIL/MRIDCL/BYCULLA - ROB/2022/98, dated 30.11.2022.

Dear Sir,

Concerning the above subject and reference letter cited above, the credential of M/s SCON Infrastructure was submitted for approval towards prestressing work of portal/piercap. For Post-tensioning work, we have 'No objection with comments' for Credentials for approval of the vendor M/s SCON Infrastructure but subject to the satisfactory quality of post tensioning materials and process of Post-tensioning confirming to IS 1343 - 1980 with latest amendments and to the contract technical specification.

The all above No objections has been accorded on the condition of maintaining proper quality & process intact. In case of any deterioration in quality or process, these no objections will be cancelled. Also subject to fulfillment of following Term and conditions:-

1. This approval is valid only for the above-mentioned contract/work.
2. This approval is valid only for supply, Installation & execution of Post-tensioning works as per Contract Terms & Conditions and conforming to applicable relevant codes & Specifications with latest amendments.
3. Post-Tensioning Materials supplied to this project shall be accompanied with all essential Material test certificates, Delivery Challan and sales invoice etc.
4. Quality Assurance Plan(QAP), Inspection Test Plan, safety Manual with HIRAC documents shall be submitted for review & approval in advance.
5. The essential Tests on post-tensioning materials shall be done as per Submitted ITP based on Standard procedure of post-tensioning works & to the satisfaction of MRIDC Quality Team. Materials shall be permitted to use only after conforming the necessary Physical, Mechanical & chemical test as per applicable relevant codes & Specifications with latest amendments and shall comply with the said tests requirements as per the quality control plan approved by MRIDC

## TEST REPORT

### Material Sample Analysis

Issued To:- Jandu Construction India Pvt. Ltd.  
Jabalpur Ring Road Project, Near- Narmada Bridge,  
Tilhari Jabalpur -482020

Issue Date:-19/12/2023  
Test Report No :- SRTLPL-20231207-59

Sample Description :- HDPE Pipe Duct  
Sample Received on :-07/12/2023  
Sample Received By :- Given By Client  
Ref. & Date :- JCIPL-JRRP/Pkg-1/2023/340  
Sub. :- Construction of 4-lane from Barela to Manegaon section of NH-30 from design ch. 2,900 to design Ch 19.050 (Jabalpur Ring Road) under Bharatmala Pariyojna in the State of Madhya Pradesh on EPC mode (Package-1)  
Brand Name :- Scon Infra Prestress LLP  
Sample Qty. :- 1 Nos X 3 Mtr  
Analysis Duration :-11/12/2023 to 18/12/2023

Dated:- 27/11/2023

P-1/

Sr. No.	Parameter	Unit	Test Method	Results	Requirement As Per Specification IS: 7328 & IRC 112:2020
01	Dimension of Duct				
A	Inner Outside Diameter	mm	IS: 7328	131.00	130.0 ± 1%
B	Wall Thickness	mm	IS: 7328	4.05	-
02	Carbon Black Content	%	IS:2530:1963	2.76	2.0 – 3.0
03	Melt Flow Rate (at 190°C & 5.0 kg Load)	g/10mint.	IS:2530:1963	0.90	0.2 - 1.10
04	Density (at 27°C)	Kg/m <sup>3</sup>	IS:7328:1992	948.90	934.4 – 958.40
05	Workability Test	-	IRC:112:2020	No Failure	the sealing joints will be visually inspected to verify that no failure or opening has taken
06	Lateral Load Resistance of Duct	-	IRC 112 2020	No Damage	No Visual damage of test sample
07	Leak Tightness (Pressure 0.5 Bar)	-	IRC 112 2020	Passing the test	No Visibly Leaks with Pressure

Dear Sir,

GC refers to the above captioned subject and chain of correspondences in reference.

GC would like to inform that the competent authority of MMRDA have accorded the approval to the Credentials of **M/s Scon Infra Prestress LLP** located at Bhiwandi Kalyan Road, Thane for the manufacturing and supply of **HDPE Sheathing Ducts** of requisite sizes.

In view of above, GC hereby reiterate the approval of credentials of the manufacturer for the manufacturing and supply of **PT HDPE Sheathing ducts** of requisite sizes with wall thickness and properties as specified in technical specifications volume-4 of contract documents subject to following mandatory conditions.

1. Sizes and wall thickness of the HDPE shall be as per approved GFC, and test parameters shall be ensured as per Cl. 6.2.1 of the TS Vol.4 of the Contract documents and accordingly documents shall be submitted to GC/MMRDA.
2. The routine tests shall be carried out as per IRC-83, Technical specifications and FIB latest revisions during the FAT inspection on every lot of supply.

This is for your information and necessary action please.

Thanking you,

Yours faithfully,

For **Ayesa-Italferr-CEG-Ayesa India (AICA) GC Consortium**

Dear Sir,

This has refer under (3) to your above cited letter and technical documents/credentials submitted by you to this office for approval of M/s Scon Infrastructure products viz;. HDPE Single Wall Corrugated (SEC) Ducts/Pipes and Stressing Material for Execution of Pre-stressing works.

While going through M/s Scon Infrastructure's credentials and during plant visit, it is also observed that M/s Scon Infrastructure is an Exclusive Agent of M/s OVM International Ltd. (China) for Pre-stressing System.

The quality of the product/ products should meet the required strength and IRC & MORT&H (5th Rev.) specifications. However, the Authority wholly reserves the rights to revokes/ suspends the enlistment on the basis of review any time.

This approval has been accorded on the condition of maintaining of quality intact. In case of any negative feedback and deterioration in quality, this approval will stand cancelled automatically. Mandatory checks about the quality will also be carried out as and when required so as to satisfy the site about the quality and the performance.

The above authorization, however, does not bind the Authority in any way for use of the products/ services in the works.

An early action shall be highly appreciated.

Yours Faithfully,

**Kind Attn:** Mr. Rajesh Ojha, Contractor's Representative.

Contract Agreement – CTP-11 Package (C.A. No. HQ/EN/PWC/PHASE-II PKG-11/D&B/9/Express Freight Railway Consortium)

**Sub:** (CTP-11 Package) – Engineer's consent on product approval of Prestressing System and HDPE Sheathing from M/s SCON Infrastructure for CTP-11 Package of ZMT-1 section.

**Ref:**

1. Contract Agreement for contract package, CTP-11, Part III, General Specification.
2. Contractor's Letter No- WDFC/CTP-11/SITE/20210216/7994 dated 16.02.2021
3. Engineer's Letter No- L/OCGC/DFCC/ZMT-1/CTP-11/2103/2642 dated 01.03.2021
4. Contractor's Letter No- WDFC/CTP-11/SITE/20211004/9531 dated 04.10.2021

Dear Sir,

Contractor vide letter referred at Sr. No. 04, submitted test reports of Load transfer test on prestressing system and bond strength test on HDPE sheathing complying the observation raised by Engineer vide letter referred at Sr. No. 03 for product approval of Pre stressing System and HDPE Sheathing from M/s SCON Infrastructure for CTP-11 Package of ZMT-1 section.

Engineer Assistant (ZMT-I) has reviewed the submittal containing test reports for product approval of Prestressing System and HDPE Sheathing from M/s SCON Infrastructure, in terms of Sub clause 7.2 'Source Approval' of clause 7, 'Material for structures' of CTP-11, Part 3 Specification and found generally in order.

**"Notice of No Objection" (NONO)** has been issued to product of Prestressing System and HDPE Sheathing from M/s SCON Infrastructure in terms of Sub Clause 3.3.1 (I) of Appendix 13 (Document Submission and Review Procedure) of Employer's Requirement Part-2 of Contract Agreement.

FIDIC Clause 3.1(c) & 5.2 are relevant in this context which specifies that any such approval or consent, or any review shall not relieve the contractor from any obligation or responsibility. Subsequently if any errors, mistakes, discrepancies are found after this NONO, the same will be rectified by the Contractor on his own cost.

Yours Sincerely,

  
(Sanjay S. Bahad)

Ref : 1. Your letter : DBL-MBZ(JV)/GOA/PKG-II/AE/2017/93 Dt 15.07.2017

Dear Sir,

We refer to your letter dated 15.07.2017 along with which company profile & credentials of M/s SCON Infrastructure has been submitted by you. The same has been reviewed and recommended for use in the project. Following are our observations/comments:

1. The credential for the supply of multiple anchorage system and single wall spiral corrugated HDPE pipe (circular & flat) satisfies fib Bulletin 7 specification and tests requirement and IRC:18 - 2000.
2. The supply of HDPE Pipe, Anchorage System & other Equipments/tests should satisfy Cl. No. 1800 of MoRTH (5th Revision) and IRC 112 :2011.

Thanking you,

Yours Sincerely,

2. JKIL/MMRDA/L2B-C101/2022-23/2291-P, dated 29<sup>th</sup> Sep 2022

Dear Sir,

We would like to inform you that the credentials of M/s SCON Infrastructures were submitted vide cited letter at (2) and we are in receipt of your letter referred at (1) wherein authority has raised few objections and we would like to clarify that M/s SCON infrastructure is a renowned pre-stressing specialist since 2013 and as per increased demand in pre-stressing materials due to on-going major infrastructure development works it is essential to have additional and equally qualified specialists agency such as M/s SCON Infrastructure to meet the project requirements in effective timeline.

In addition, the specialist's vendor has completed several Iconic Projects with rightful authorities of DMRC, DFCCIL, Swargate Metro station and etc. Furthermore, the company has also executed specialized jobs as mentioned below for the 1<sup>st</sup> time ever in India.

- i. 45m column free Pt Beam/Slab for Navi Mumbai Municipal Corporation (N.M.M.C)
- ii. 4500ton Pot bearing (slide guide) for Nagpur Cancer Hospital
- iii. Lifting and replacement of Bridge Bearing of 50m Floating span for Mahad, PWD, Maharashtra.

Hence there are sufficient documents and project references (enclosed herewith) on the basis of which vendor approval may kindly be processed.

Your earliest approval will be highly appreciable in this subject.

Thanking you and assuring you of best services at all times.

Yours faithfully,

Kind Attn:- Mr. Bhujbalrao Umesh Hari

**Sub:- Approval for supply of Prestressing System.**

**Ref:- Your letter dated August 10, 2017**

Dear Sir,

This has reference to your above cited letter and technical documents/credentials submitted by you to this office for approval of your products **viz; Prestressing System** for Delhi Metro Rail Projects/Metro Rail Projects in various other cities.

While going through M/s Scon Infrastructure's credentials, it is also observed that **M/s Scon Infrastructure** is an Exclusive Agent of M/s OVM International Ltd. (China) for Prestressing System.

We have '**no objection**' in case you supply your product (**Prestressing System**) for our metro rail projects/metro rail projects in various other cities subject to the suitability and fulfillment with the technical requirements.

Since our ongoing Phase-III project has already reached an advanced stage of completion, the name of **M/s Scon Infrastructure** will be included in our Approved list of manufacturers/vendors for Phase-IV project (set to commence shortly).

The quality of the product/products should meet the required strength and other DMRC specifications. However, the Corporation wholly reserves the rights to revoke/suspend the enlistment on the basis of review any time.

This approval has been accorded on the condition of maintaining of quality intact. In case of any negative feedback and deterioration in quality, this approval will stand cancelled automatically. Mandatory checks about the

(मेट्रो भवन, फायर ब्रिगेड लेन, बाराखम्बा रोड, नई दिल्ली-110001)

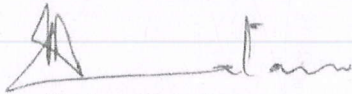

Metro Bhawan, Fire Brigade Lane, Barakhamba Road, New Delhi-110001

quality will also be carried out as and when required so as to satisfy the site/s about the quality and the performance.

The above authorization, however, does not bind the Corporation in any way for use of your products/services in the works.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Rajan Kataria', with a stylized flourish at the end.

3) Your office letter no. GPT/WBPWD/TPROB/S/19-20/ 118 dated 16.09.2019

Dear Sir,

This has refer under (3) to your above cited letter and technical documents/credentials submitted by you to this office for approval of M/s Scon Infrastructure products viz;. HDPE Single Wall Corrugated (SEC) Ducts/Pipes and Stressing Material for Execution of Pre-stressing works.

While going through M/s Scon Infrastructure's credentials and during plant visit, it is also observed that M/s Scon Infrastructure is an Exclusive Agent of M/s OVM International Ltd. (China) for Pre-stressing System.

The quality of the product/ products should meet the required strength and IRC & MORT&H (5th Rev.) specifications. However, the Authority wholly reserves the rights to revoke/ suspends the enlistment on the basis of review any time.

This approval has been accorded on the condition of maintaining of quality intact. In case of any negative feedback and deterioration in quality, this approval will stand cancelled automatically. Mandatory checks about the quality will also be carried out as and when required so as to satisfy the site about the quality and the performance.

The above authorization, however, does not bind the Authority in any way for use of the products/ services in the works.

4. Contractor's Letter No- WDFC/CTP-11/SITE/20211004/9531 dated 04.10.2021

Dear Sir,

Contractor vide letter referred at Sr. No. 04, submitted test reports of Load transfer test on prestressing system and bond strength test on HDPE sheathing complying the observation raised by Engineer vide letter referred at Sr. No. 03 for product approval of Pre stressing System and HDPE Sheathing from M/s SCON Infrastructure for CTP-11 Package of ZMT-1 section.

Engineer Assistant (ZMT-1) has reviewed the submittal containing test reports for product approval of Prestressing System and HDPE Sheathing from M/s SCON Infrastructure, in terms of Sub clause 7.2 'Source Approval' of clause 7, 'Material for structures' of CTP-11, Part 3 Specification and found generally in order.

**"Notice of No Objection" (NONO)** has been issued to product of Prestressing System and HDPE Sheathing from M/s SCON Infrastructure in terms of Sub Clause 3.3.1 (I) of Appendix 13 (Document Submission and Review Procedure) of Employer's Requirement Part-2 of Contract Agreement.

FIDIC Clause 3.1(c) & 5.2 are relevant in this context which specifies that any such approval or consent, or any review shall not relieve the contractor from any obligation or responsibility. Subsequently if any errors, mistakes, discrepancies are found after this NONO, the same will be rectified by the Contractor on his own cost.

**Yours Sincerely,**

Dear Sir,

GC refers to the above captioned subject and letters cited at 2 &amp; 3.

GC would like to inform that the competent authority of MMRDA have already accorded the approval to the Credentials of M/s Scon Infra Prestress LLP located at Bhiwandi Kalyan Road, Thane for the manufacturing and supply of prestressing components viz; Anchor cone, Anchor head & Wedges for Mumbai Metro Line 2B, Package CA101.

Accordingly, GC hereby issues **"No Objection with Comments (NOWC)"** for the abovesaid submission for Mumbai Metro Line 2B, Package CA102.

In view of above, GC hereby reiterate the approval of credentials of the manufacturer for the manufacturing and supply of prestressing components of requisite sizes, shapes, thickness and properties as specified in technical specifications volume-4 of contract documents subject to following mandatory conditions.

1. **Sizes and wall thickness** of the prestressing components shall be as per approved GFC, and test parameters shall be ensured as per Cl. 6.2.2 of the TS Vol.4 of the Contract documents and accordingly documents shall be submitted to GC/MMRDA.
2. **The routine tests** shall be carried out as per BS-4447, Technical specifications and FIP latest revisions during the FAT inspection on every lot of supply.

It is pertinent to state that as per clause no 3.2 of GCC, any approval of Engineer shall not relieve the Contractor from any responsibility, including responsibility for his errors, omissions, discrepancies and non-compliance with sub clause 5.4.

This is for your information and necessary action at the earliest.

Thanking you,

Yours faithfully,

2. NCCL/MMRDA-2B/C102/24-25/4061 Dated 11<sup>th</sup> July 2025  
3. MPIU/ML2B/C101/GC/Scon Infra Prestress LLP/B263/2024/940 Dated 01<sup>st</sup> October 2024

Dear Sir,

GC refers to the above captioned subject and letters cited at 2 &amp; 3 in reference.

GC would like to inform that the competent authority of MMRDA have already accorded the approval to the Credentials of M/s Scon Infra Prestress LLP located at Bhiwandi Kalyan Road, Thane for the manufacturing and supply of HDPE Sheathing Ducts of requisite sizes for Mumbai Metro Line 2B, Package CA101.

Accordingly, GC hereby issues “**No Objection with Comments (NOWC)**” for this submission for Mumbai Metro Line 2B, Package CA102.

In view of above, GC hereby reiterate the approval of credentials of the manufacturer for the manufacturing and supply of **HDPE Sheathing ducts** of requisite sizes with wall thickness and properties as specified in technical specifications volume-4 of contract documents subject to following mandatory conditions.

1. **Sizes and wall thickness** of the HDPE shall be as per approved GFC, and test parameters shall be ensured as per Cl. 6.2.1 of the TS Vol.4 of the Contract documents and accordingly documents shall be submitted to GC/MMRDA.
2. **The routine tests** shall be carried out as per IRC, Technical specifications and FIB bulletin latest revisions during the FAT inspection on every lot of supply.

It is pertinent to state that as per clause no 3.2 of GCC, any approval of Engineer shall not relieve the Contractor from any responsibility, including responsibility for his errors, omissions, discrepancies and non-compliance with sub clause 5.4.

This is for your information and necessary action at the earliest.

Thanking you,

Yours faithfully,

For **Ayesa-Italferr-CEG-Ayesa India (AICA) GC Consortium**

Website: [www.cidco.maharashtra.gov.in](http://www.cidco.maharashtra.gov.in)

Kindly note that,

- a) The validity of this enlistment is valid for **Two (02) Years** i.e. from **26.08.2025 to 25.08.2027**. However, the Corporation reserves the right to cancel the same in case complaints are received from users within that period.
- b) The product shall be in conformity with requirements of BIS/ISO Standards. You shall keep your BIS/ISO registration valid and any changes in the same shall be intimated to this office.
- c) The approval has been granted on the basis of documents/information furnished by **M/s SCON Infra Prestress LLP**. The approval would be cancelled if any details are found in variance to the details already furnished during the inspection of manufacturing unit. Further CIDCO Ltd. reserves the right to visit the manufacturing unit at any time.
- d) It is a responsibility of user to ascertain quality and safety associated with product before acceptance, capacity of vendor for supply schedule, to carry out all tests as per relevant IS codes, past & present supply performance of various contractors in Mumbai & Navi Mumbai. Further inclusion in the approved list does not absolve the users from acceptance of bad quality of product.
- e) The registration shall not bind CIDCO Ltd. to give you any priority or preference in the issue of enquiry and placement of purchase orders and does not guarantee that all or any of the enquiries for the above items would necessarily be sent to you.
- f) You are also required to intimate us the changes, if any, in the postal address, the contact Phone Number, Fax Nos. in the constitutions or working of your firm during the currency of registration of your firm with us.
- g) You are required to apply 60 days in advance for revalidation before expiry of current validity of enlistment along with all documents and information as required.
- h) During the period of enlistment, if, your company **M/s SCON Infra Prestress LLP** improves your product value by acquiring additional quality accreditation and/or achieves better financial performance then such changes shall be invariably informed to the Corporation.
- i) You shall share the copies of invoice with prices of the orders placed for works of CIDCO Ltd., if required.
- j) If a contractor working for CIDCO Ltd. works place purchase order for the material, the same will have to be supplied on priority, adhering time schedule required by CIDCO, failing which CIDCO Ltd. may cancel the registration of product which may please be noted.

Thanking you,

Yours faithfully,
